### **Walk-in Covid Booster clinic is big success**

*By Kathy Hageman/  
Dickinson County Public Information Coordinator*

The Dickinson County Health Department's walk-in Covid-19 Vaccine Booster clinic Friday, Nov. 5 at the Holm West building was a huge success. 761 people took advantage of the opportunity to receive either a Pfizer, Moderna or Johnson and Johnson COVID booster shot. The health department used all but six of its allotted doses.
