The Dickinson County Commission will not meet Thursday, Nov. 11 due to the Veteran's Day holiday and county offices will be closed.

Commissioners, however, will meet at 9 a.m. Friday, Nov. 12 in the Dickinson County Health Department meeting room to canvass the Nov. 2 General Election.

The canvass can be viewed online by going to the Dickinson County website at www.dkcoks.org on the commissioners page under the "Your Government" tab; there, click on "commission meeting conference call info" and you will be directed to the "GoToWebinar" registration link.

The next regular Dickinson County Commission meeting will be Thursday, Nov. 18.
